WORK EXPERIENCE

Frontend Developer Intern   **Aug-2022-**
ESkill Web Indore   **Dec-2022**

"As a Frontend Developer Trainee at ESkill Web Indore, I had the opportunity to participate in my first training program and gain hands-on experience in creating and maintaining websites. I was responsible for implementing design concepts and coding using HTML, CSS, JavaScript and ReactJS. I also assisted in the development of new features and troubleshooting any issues that arose. I learned how to work collaboratively with my team and improve my skills in frontend development. Overall, this experience was a great learning opportunity and helped me to hone my skills in this field."

Youtube Content Creator

Tractor k Videos Youtube Channel

"As a YouTube content creator, I have developed strong skills in creating and editing video content, as well as in building and engaging an audience through community management and social media promotion. I have a deep understanding of YouTube's platform and I am skilled in optimizing my content for search and audience engagement. My experience as a content creator has also allowed me to develop my storytelling abilities, as well as my skills in video editing, and marketing. This experience is an additional asset to my Frontend Developer skillset and I am confident that it will be a valuable addition to my professional profile."
